The Board of Directors of Nordic Paper proposes no dividend to the AGM but considers opportunity for a potential extraordinary dividend later on in 2025

Nordic Paper is currently reviewing options for its long term financing. Due to this, the Board of Directors of Nordic Paper has today decided to propose no dividend for the financial year 2024 to the Annual General Meeting to be held on 28 May 2025.

The existing credit facilities of the company which were put in place in January 2025 run into 2026.

The Board of Directors intends to review the feasibility of a potential extraordinary dividend once a long-term financing is in place. Any such dividend would be decided at an Extraordinary General Meeting.
